01. March 2018

Women from Spain and Portugal will have the opportunity to gather for a Women's Ministries Congress from September 21 to 23, 2018. The venue is still to be announced. The date has already been fixed so that women can start planning to attend the event even though a decision has not yet been made concerning the location. A special congress for women of the two major latin language groups in Europe is long overdue and it is with great joy that this

congress is announced. The main speaker will be Heather-Dawn Small, Director of the Women's Ministries Department of the General Conference.

01. March 2018

The European Media Conference (GAIN) will take place in about one month. Numerous professionals and communicators will meet to explore the most interesting and important issues related to Communications. The Inter-European Division and the Trans-European Division are working hand in hand, committed to improving the state of communication in Europe. The concept of GAIN (Global Adventist Internet Network) was developed by the General Conference Communication department to provide networking and training opportunities for those who serve the mission of the Church in this important area both as...
